**Self-Determined
Living
for LGBTIQ+
with Disabilities**

Lubke.sozialhelfer@posteo.de

**Are you a bit of a rainbow unicorn like us
– and on the hunt for a flat?**

**We're all LGBTIQ+ and meet up twice a
week to tackle the wild world of flat-
hunting together.**

**WBS, Schufa, the protected housing
market – yep, we cover all that stuff. But
we do it in a way that actually makes
sense (and doesn't put you to sleep).**

**Our queer self-help group is for adults
who are homeless, about to lose their
housing, or just stuck in a tricky living
situation – and who also live with a
disability or impairment.**

**Group language: English – no German
needed!**

And the best part? It's completely free.

**So, why not drop by and say hi? No
pressure, just a bunch of us figuring
things out together.**
